Dr. King’s Brand Story: An Executive Summary

OVERVIEW:

Dr. King’s Becomes the Leading Brand for King Bio Natural Products

King Bio, a trusted name in natural products for people, pets, and professionals since 1989, adopts Dr. King’s as their signature brand for all their products.

Dr. King’s will become the brand name on all of the King Bio products, including Natural Medicine, SafeCareRx, Aquaflora, Safecare, Life Formula, Natural Pet and Natural Vet.

“Although the product packaging may look different with the Dr. King’s brand, the quality of our formulas and integrity of our products has not changed. We are extending our company mission with
the Dr. King’s name and personalizing the way consumers engage with our brand. I am proud to put my name on each one of our products,” states Dr. Frank King, King Bio owner and CEO.

For more than 40 years, Dr. King, who founded King Bio in 1989, has helped people, pets, and healthcare professionals and their patients overcome numerous ailments, from allergies to water retention, by using simple, natural and safe principles and remedies.
